

Sponsor a Class >>> Support a Whole Class of Students

What does my sponsorship provide?

Your monthly investment provides essential resources for your class, like school supplies, educational materials, and even teachers' salaries. This translates to:

- educational resources to provide a quality education
- Christian discipleship and mentoring
- healthy nutritious meals and vitamins to help students focus and learn better
- a welcoming and nurturing environment with appropriate facilities
- loving care from teachers who support them holistically

How much does it cost to sponsor a class?

Each class is divided into a cluster of 10 units of sponsorship. As a sponsor, you can sponsor one unit, several, or all 10!

A unit of class sponsorship is \$50/month.

How does sponsoring a class impact children's lives?

You can sponsor an entire class of students in Guatemala, and watch them grow into godly leaders as they progress through school. Your investment helps break the cycle of poverty and illiteracy for children in your class!

How can I stay in touch with my class?

You can view an information package about your class and send and receive messages through our online Sponsorsoft platform. You'll receive class photos and updates, and there may be opportunities to visit your class in Guatemala.

Other communication options are available for those without internet

Why should I support a class with Impact Ministries?

At a Vida school, Christian teachers - many of whom were once Vida students themselves - are personally involved in their students' lives on a daily basis. Our leaders, teachers and support staff provide godly role models to help the children in your class know the Lord and become all that He intends for them to be.

Why Guatemala?

In the rural areas of Guatemala, more than 75% of Indigenous people live in poverty. Many children don't complete elementary school. Local religions blend Mayan and Catholic traditions and witchcraft, resulting in an oppressive religious spirit that keeps people in fear and bondage. Impact Ministries is focused on bringing help and the hope of Jesus Christ to the Q'eqchí and Poqomchí people groups of Guatemala.

Train a child in the way he should go, and when he is old he will not turn from it.

~ Proverbs 22:6

Mission Statement

To train Guatemalans for leadership by teaching biblical principles in such a way that they become integrated in their lives and effect spiritual change in their society, and to impact North American Christians for world missions.
